VTS launched its Regional Chapters in the fall of 2012 and they continue to unfold around the country and internationally. Chapters complement the Class Steward structure and offer opportunities for alumni to stay connected to one another and to the Seminary.

Regional Chapters offer an opportunity for alumni to work with the Alumni Office to organize networking meetings, social occasions, and continuing education opportunities. Chapters also receive modest financial support from the Seminary to help underwrite costs of Chapter events. Chapter programs also are open to clergy and lay leadership who are not graduates of an Episcopal seminary.

The VTS website includes information about current Chapters and their meeting schedules: www.vts.edu/regionalchapters
