SEMINARIAN'S SUMMER INTERNSHIP REFLECTION PAPER
Four Week Intensive

Do the Reflection Paper on separate pages by the end of term deadline. (Remember to put your name and training site on the paper.)

REFLECTION PAPER: Answer the following reflection questions (#1-4) and evaluation of the internship questions (#5-6) in no more than 3 pages for a conversation with the Director of Field Education following the Internship.

1. What have you noticed about the difference between Sunday culture and weekday culture and how they are related?

2. Looking at your learning goals, what have you learned during this internship?

3. How has this experience informed your thinking about the shape of your future ministry?

4. “How has your view of the priesthood changed? If it has, how will this affect your course choices and your association with a parish during your senior year?”

Evaluation of the Internship:

5. What is characteristically different about these 4 weeks than during the school year?

6. What advice would you give about the structuring of another summer intensive Field Education program in the future?
