Do the Reflection Paper on separate pages by the end of term deadline. (Remember to put your name and training site on the paper.)

**REFLECTION PAPER:** Answer the following reflection questions (#1-4) and evaluation of the internship questions (#5-6) in no more than 3 pages for a conversation with the Director of Field Education following the Internship.

1. What have you noticed about the difference between the part time ministry you experience in FE and the full time ministry you experienced in the internship? Consider differences in your use of time, your tasks, your experience of the site and the people and fellow staff.

2. Looking at your learning goals, what have you learned during this internship?

3. “How has your view of school chaplaincy changed?”

4. How has this experience informed your thinking about the shape of your future ministry? If it has, will this affect your Work/Learning Agreement in the spring semester?”

**Evaluation of a FE School Internship:**

5. What advice would you give about the structuring of another Jan term school ministry intensive in the future?
